Borrowing Policies

What are Prospector's borrowing policies?

The following is a list of agreed upon Prospector borrowing policies:

- 21 day loan period (DVDs, CDs, and videotapes usually have a more limited loan period of one week with no renewal).
- 1 renewal.
- Up to 70 requests/check-outs per person, depending on local policy (If you allow fewer checkouts locally this should trump the Prospector limits).
- Lost item fees are assigned by the local library. There is an annual reconciliation process where each library checks for long overdue items from other libraries.
- Overdue fines are assessed by the local library.
- If all copies of materials are checked-out a hold may be placed, although books may not be recalled.
