PASCAL

We have received items that have owner stamps for UCD or Boulder, but with PASCAL stickers. Which institution do we return these items to?

If you receive an item with a PASCAL sticker on it, it should be returned to PASCAL. Their courier code is C194. If you check the item in, it will show the courier code of the owning library, but it still belongs to PASCAL. The PASCAL barcode is in the upper right hand corner of the item and begins with a "P". For more information about PASCAL, see:

See the attachment for an example in Millenium.
