Prospector libraries don't exchange money for lost items. Does this same practice apply to MOBIUS libraries?

MOBIUS hasn't adopted the Prospector policy for lost/damaged items. If a Prospector or MOBIUS item is lost, we encourage you to work with that library to resolve the issue. If this is not possible or you are having difficulties, we are happy to step in to resolve the issue. You can also defer to the national Interlibrary Loan code which states that the requesting library is responsible for borrowed materials from the time the item leaves the lending library until it has been returned and received by the lending library. (Interlibrary Loan Code for the United States-Section 4.8 & 4.9-Responsibilities of the Requesting Library): [http://tinyurl.com/alaloancode](http://tinyurl.com/alaloancode).
