What is the Center for Research Libraries (CRL)?

The Center for Research Libraries (CRL) is an international consortium of university, college, and independent research libraries. Founded in 1949, CRL supports advanced research and teaching in the humanities, sciences, and social sciences by preserving and making available to scholars the primary source material critical to those disciplines.

The four Prospector libraries that are members of CRL are CU/Boulder, DU, CSU and Colorado College. CRL offers limited borrowing to non-CRL members. For more about their lending policies to non-members see:
